

Names Mokenan Assistant Superintendent of County Schools

H. James Wrath, 11127 Revere rd., Mokena, superintendent of Arbury Hills school for the past three years, has been named as first assistant county superintendent. He is to assume his new duties July 1.

Supt. Wrath tendered his resignation to the Summit Hill district board of education at a special meeting last Saturday. He told the board, however, that he would look after affairs until a successor has been found.

His appointment to the

H. J. WRATH

county post was made by the new county superintendent of schools, Boyd R. Bucher. Mr. Bucher was named by

the board of supervisors at the regular June meeting, June 14. He succeeds Verne E. Crackel, to whom he was first assistant for the past five years. Mr. Crackel will become first assistant state superintendent of public instruction on July 1.

Mr. Wrath, who will be 38 years old in August, was born at Kenosha, Wis. He served a year in the navy in 1945 and when the Korean War came up he was in the army for two years, 1950-1952.

A graduate of Bay View high school, Milwaukee, he

received a bachelor of science degree at Carthage college (Illinois), a master's degree from the University of Chicago and has taken additional graduate work at Northwestern university.

He was with the Mokena grade school system five years, as a teacher, coach and assistant principal. He left Mokena school to teach at Beecher high school and from there went to the Lin-

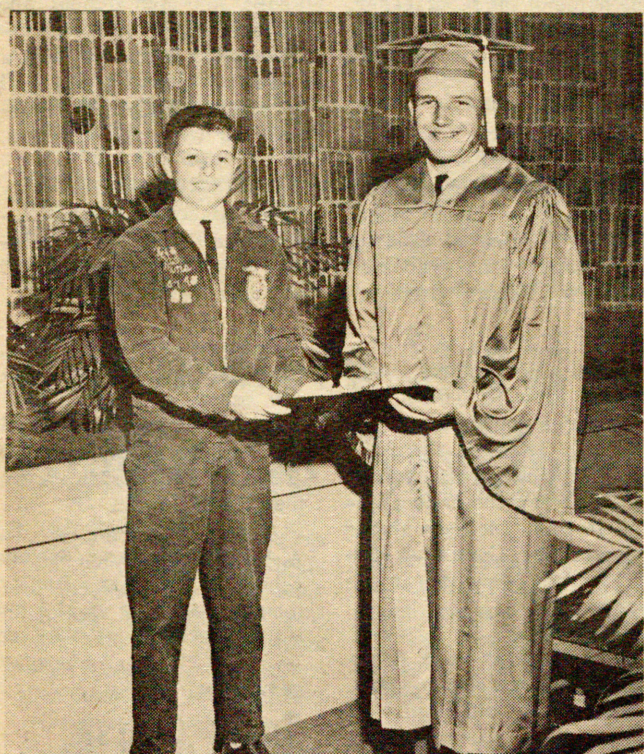

coln-Way high school faculty where he helped develop team teaching of social studies.

From Lincoln - Way he went to Arbury Hills school as superintendent and has served as such for the past three years.

He is a member of the Illinois Association of School Administrators, the American Association of School Administrators, Ill-

inois Education Association, Lincoln - Way Area Principals Association, of which he is a past president, the Lincoln - Way Area Teachers Association in which he is administrative coordinator, the Will County Principals Association and the Mokena plan commission.

He and his wife, Eleanor, have a 10-year old daughter, Christine, and a son, David, 7 years old.

DON SMEGO, in cap and gown, receives DeKalb Agricultural Accomplishment award. Presentation was made by Charles Bruns, newly elected president of the FFA chapter at Lincoln-Way high school.

Agricultural Achievement Award Goes To Don Smego

Don Smego, has been announced as the winner of the 1965 DeKalb Agricultural Accomplishment Award given to outstanding seniors in vocational agriculture departments.

To achieve this award the winner must be outstanding in scholarship and must have an outstanding agriculture program including his home farming program. Too, he must have actively participated in the leadership of the Lincoln - Way Future Farmers of America organization. Finally, he must be a good citizen in his school and in his community.

Don is an "A" student in his vocational agriculture work. He has exhibited out-

standing leadership and participation in FFA activities. Don was the president of the FFA the second semester of this year. In FFA activities, Don received top honors in Section 8 on his farm safety project this year. Also, Don has outstanding swine and poultry projects.

Don is the son of Mr. and Mrs. George Smego and lives on a farm west of Frankfort. He is the 11th DeKalb Agricultural Award winner from Lincoln-Way high school, and as such his name will be engraved with the other winners on a special honors plaque provided by the sponsor.

Charles Bruns, newly elected president of the FFA, made the presentation.

4 L-W Singers Win Parts In S. Ill. Univ. Musical

Two New Lenox girls, a Mokena boy, and a boy from Manhattan are among the talented high school singers, dancers and actors selected from auditions for parts in "The Flower Drum Song," at Southern Illinois university. All were singers at Lincoln-Way high school, under the direction of Tom Olson.

The girls are Linda Montgomery, S. 402 Cedar rd., and Sandra Pearson, 1208 Gordon st. The boys are Dennis Cappel, Kohlwood Estates, Mokena and Stephen Stauffenberg, Manhattan. They were selected thru auditions held in the Chicago area, one of four areas in the state where auditions were held, this spring.

They will be members of the new three-week session

of Music and Youth at Southern camp on the Carbondale campus, June 27 to July 17.

"This camp is the first of its kind in the country and the SIU music department feels it will provide a unique experience for these young people," said Mel Siener, camp director.

Parts and assignments will be made after further auditions on the first day of camp, it was explained.

"The Flower Drum Song" will have performances in Shryock Auditorium July 16 and 17 at 8 p.m. Tickets are \$1 and \$1.50 and may be had by mail. All seats are reserved. Persons ordering tickets by mail should make checks payable to SIU Music Productions and enclose a stamped, self-addressed envelope.

Communities Urged To Let Freedom Ring

All communities in Illinois are being asked to "Let Freedom Ring" on the Fourth of July. Gov. Kerner is urging all city and village officials to urge their citizens to participate in the program.

All churches and public buildings with bells are asked to have them rung for two minutes the afternoon of July 4, beginning at 1 o'clock.

Two Connecticut men, Eric Sloane, an artist, and Eric Hatch, a writer, conceived the idea of ringing in Independence Day and for the past two years there has been nationwide compliance with their plea to "Let Freedom Ring."

All the village councils in the area have adopted resolutions urging the public to join in the bell ringing.

Herbert Cooper, 81, Dies;

Herbert Cooper, 81, of R#1, Mokena, died Sunday, June 20 at Silver Cross hospital following a lingering illness.

He was born July 2, 1883 in Orland township and lived in the area his entire life. He was a retired farmer.

Survived by two daughters, Mrs. Jeanette Knieriem of Mokena and Mrs. Mildred Ferris of Morris; one brother, George of St. Petersburg, Fla., and six grandchildren.

Mr. Cooper was preceded in death by his wife Jennie in 1960; two brothers, Walter and Gilbert and one sister, Mrs. Maude Ingle.

Funeral services were held Wednesday, June 23 at 2 p.m. from the Hirsch Memorial Chapel, Tinley Park. The Rev. Paul Gilbert of Morris officiated. Interment was in Orland Park Memorial cemetery.

MARILYN BITNER, 10900 Front st., Mokena, received a bachelor of science degree in the college of liberal arts and sciences at Bradley university, Peoria, on Sunday, June 6.

Mokena Plans Community Celebration For Fourth

Big excitement is in store for the Fourth of July weekend celebration sponsored jointly by the Mokena Chamber of Commerce and the Mokena Lions club. Dates of the celebration are Saturday, July 3, Sunday, July 4, and Monday, July 5.

An old time auction will be the feature of Saturday, starting at 6:30 p.m. with Norman Strassenberg presiding. The committee urges area residents to submit items for the auction with the understanding that they will receive 90% of the purchase price when they are sold. Many local residents have promised antique items for the auction and much interest in the event is anticipated. Articles to be auctioned off may be left in the trailer parked between Grey Real Estate and Ordman's Park and Shop. If pick-up service is needed call 479-5776.

The annual Fourth of July parade will be held on Sunday. The various units that will take place are to assemble on the Carpenter Street school grounds at 1

o'clock and will move off at 1:30. The parade will go south on Division street to Front, west on Front street to Wolf road, thence south to La Porte road and east on LaPorte to Community park.

The afternoon program at the park will include games and races for children of grade school age, under the supervision of Vernon Lankenau.

One of the features will be the water ball fights, sponsored by the Mokena fire department.

Special events scheduled for Monday will include a Little League baseball game in the afternoon and that evening there is to be a huge display of fireworks.

Prizes, including a color TV set, are to be given away Monday night.

Beginning at 2 o'clock each of the three afternoons of the festival the usual rides will be operated to provide thrills for the youngsters. Miller Amusements is bringing in four rides, according to the

committee in charge.

Many booths and concessions, operated by local organizations, will be set up in the park.

Four Receive Farmer Degree From The FFA

At the regular June meeting of the Lincoln-Way Chapter of the FFA organization, four members of the Lincoln-Way community were presented the Honorary Chapter Farmer Degree.

This honor is given to adults in the community who have shown special interest in the organization and have cooperated with the group on various projects.

The recipients of this award at the June meeting were: William Smith, Swifts Research Farm, Frankfort; Harlow Jensen, Moss Equipment, New Lenox; Frank Goetschel, Lincoln-Way high school; and Harold Cooper, Cooper and Hostert, Mokena.

These men have contributed freely of their time and energy in working with the Lincoln-Way FFA organization. Each of them received an engraved FFA plaque.

Curve West Of Frankfort Claims Another Victim

The curve on U.S. 30, about a mile west of the junction with U.S. 45 at Frankfort, has claimed another victim, Wilbur L. Bowman, 43, 500 Strong ave., Joliet, an insurance man, was killed there last Friday morning.

According to the report of state police Bowman, traveling east on U.S. 30, apparently veered over into the west bound lane and his car struck the rear of a tandem truck heading west. The truck was driven by Donald Knoch, 49, of Ft. Madison, Ia. He was not injured.

Bowman was pinned in the wreckage of his car. He suffered a broken neck and multiple fractures of his arms and legs.

The curve at which the accident took place is treacherous, it was pointed out, because it is a part

of the old highway that bore to the left. This section has been abandoned but there is a barricade but the line of old curve is plainly visible, going to the left while the present highway bends to the right. A driver not familiar with the situation, it was explained, could easily hold to the left and veer into the west bound lane.

Bowman was to have been promoted to district manager of the company with which he is associated and was to have opened an office at Park Forest next week.

The accident took place about 2:45 a.m.

His only immediate survivor is his wife, Rose. Funeral services were conducted Monday from the Sonntag, Burgess & Wylie chapel, Joliet.

Erlenborn Discusses Reapportionment

BY JOHN N. ERLBORN
(Cong. 14th Dist.)

With three legislative reapportionment questions before the Illinois general assembly, and two reapportionment matters pending in congress, my mail indicates some voters are confused about the reapportionment problems.

First, members of the general assembly are working on a bi-partisan senate conference committee to redraw the district lines for both the state house and senate.

The reapportionment of the house is unfinished business from 1963 when the legislature approved new districts, and the governor vetoed the bill and subsequent to that, the commission appointed by the governor failed to reach

agreement.

The governor's veto and the commission's failure to reach agreement caused the confusing, chaotic orange ballot at a large election of state representatives last November. This fiasco cost Illinois taxpayers over \$2 million, altho it was the Governor's original estimate that the cost would be under \$1 million.

No action congress would take would affect the reapportionment of Illinois state representative districts.

However, the reapportionment of state senate districts could be affected by congressional action.

U. S. Sen. Everett M. Dirksen, of Illinois, the Republican leader in the senate, has introduced a proposed Constitutional amendment which

would give the states the right to apportion one House of a bicameral state legislature on a basis other than population. This is commonly called a "little federal" system and is what we have had in Illinois and is the system the voters of Illinois approved a decade ago.

This decision of Illinois voters was invalidated, and ruled unconstitutional, by the U.S. supreme court in its "one - man one - vote" decision.

I have gone on record favoring Sen. Dirksen's proposal. I believe the states should have the right to a "little federal" system, if approved in a referendum in that state.

The third reapportionment question before the General Assembly concerns Congressional Districts. A bill that would require 33 states, including Illinois, to reapportion congressional districts has been passed by the house and is now before the senate. I supported this bill in the house.

The Congressional reapportionment bill in congress provides congressional districts must be compact and contiguous and must have a reasonable variance of population within 15 percent of a state's congressional population average. It should be recalled that the number of congressional seats allotted a state has always been based on population, and that the manner in which those seats are allotted by district within a state should be based on population.

In congress the congressional reapportionment measure has received bi-partisan support. It was sponsored by a Democrat and was supported by a majority of Republicans in the House.

Three constitutional amendment proposals allowing "little federal" state legislature systems are before hearings in the Senate Judiciary Committee, one is the Dirksen resolution, which I endorsed, one other was introduced by a Republican and another by a Democrat.

"As congress acts regarding congressional reapportionment, and the proposed "little federal" constitutional amendment I will report this action to you."

Pick 4-H Judging Teams In Will County Contests

Members of the Will county dairy, horse, livestock, poultry and vegetable 4-H judging teams were selected at county 4-H judging events during the past week, according to Webster Bay, Will county assistant farm adviser.

County 4-H dairy judging team members are: Nancy Koehn of Peotone, Bernard Heisner of Peotone, Steven Smith of Mokena, Nancy Heldt of Beecher, Ralph Ruhbeck of Peotone and Marcla Peck of Peotone.

Calvin Meyer, a Kankakee county Holstein Breeder, served as official judge for the 4-H dairy judging contest. William Meyer of Peotone provided three Brown Swiss cattle classes while Fred Von Alven of Beecher provided three Holstein cattle classes for the event.

County 4-H horse judging team members are: Jill Vally of New Lenox, Ron Failing of Joliet, Vicki Hafk of Mokena, Bob Rogers of Plainfield, Jean Vally of New Lenox and Jay Gray of Wilmington.

The 4-H Horse judging contest was held at Mr. and Mrs. Glenn Vally's Hawthorn Acres Farm, New Lenox. Dr. L.M. Webb of New Lenox, Edward Failing of Joliet and George Anderson of Lockport served as official judges for the event.

At the 4-H livestock judging contest, Will county 4-H'ers judged nine classes of sheep, swine and beef cattle. County 4-H livestock team members this year are: Bill Francis of Wilmington, Kenneth Krapf of Manhattan, Dennis Hack of Peotone, Don Jungles of Lockport, Alan Mundt of Manhattan and Dwight Borden of Manhattan.

The livestock judging contest began with beef breeding and market cattle classes at the Ivan and George Archibald farm near New

Lenox. Other livestock classes were judged at the farms of Burdette C. Stauffenberg and Son and Lawrence Meyer and Son ... both located in the Manhattan area. The Stauffenberg's provided the sheep classes and Meyer's provided the market hog classes.

Fred C. Francis, Oak Knoll Farm, Wilmington,

Angus breeder and official classifier for the American Angus Association, served as official judge for the county 4-H livestock judging contest.

County 4-H poultry judging team members are: Kenneth Bettenhausen of Frankfort, Richard Taylor of Lockport, Jeffery Stevens of Wilmington, Roger Weber of Monee, Jerry Paddock of Lockport and Frank Rink of Braidwood.

The 4-H poultry judging contest was held at Francis 4-H Field near New Lenox. Munroe Hatchery of Joliet provided the eggs and live birds while A. A. Wicklein, Will county farm adviser, provided the dressed market bird for the contest. Fred R. Fultz of Joliet, associated with Munroe Hatcheries, served as official judge for the event.

County 4-H vegetable judging team members are: Anita Jackson of Wilmington, David Weber of Monee, Gary Moeller of Plainfield, Chris Phelps of Joliet, David Bittermann of Wilmington and John Francis of Wilmington.

The 4-H vegetable judging contest was held at the DuPage County Fairgrounds, Wheaton. J.S. Vandemark, Horticulture Specialist, University of Illinois, served as official judge for the event.

The 4-H dairy, livestock, poultry and vegetable judging teams will represent Will county at the state 4-H judg-

Cerebral Palsy Victim In Need Of Therapy Aid

ing contest at the University of Illinois, Urbana, on June 29. At the present time, there is no 4-H horse judging contest included in the state 4-H judging meet.

Bay pointed out that the June 29 competition at Urbana is the next-to-final hurdle for the 4-H'ers before national judging contests, scheduled later in the year in Chicago, Cincinnati, Ohio and Waterloo, Iowa.

All 4-H'ers who get "A" ratings in the State 4-H Judging Contest on June 29 and meet interstate eligibility rules will have an opportunity to compete in invitational contests where final selection of four-member state teams will be made. Invitational contests for "A" rated winners in dairy and livestock judging will take place during the Illinois state fair at Springfield. Those for poultry and vegetable winners will be held at the University of Illinois, Urbana.

Will Improve Street Lighting At Frankfort

By adding seven new lights and converting present lights to brighter ones the older section of Frankfort will have better illumination when Commonwealth Edison Co. completes the program outlined to the village board Monday night by Dist. Supt. George A. Travers.

Five lights on Nebraska street, now burning 189 watt incandescent lamps, will be converted to 400 watt mercury vapor lights. This will add \$31.27 more a month to the village's lighting bill.

Also to be converted are 21 lights that now use 189 watt lamps to 405 watt lamps and a new 400 watt mercury vapor light. This will add another \$45.41 cents to the monthly lighting bill.

Changing from 189 watt lamps to 295 watts for 19 lights plus four new 295 watt lights will cost another

\$36.56. Installing a 250 watt mercury vapor lot at the match company entrance and 400 watt mercury light on Center st. near the Standard Industrial Compound plant will cost \$7.89 a month. All in all the new lighting system will cost the village \$121.16 more a month, it was estimated by utility company engineers.

The 189 watt lamps give 4,000 lumens, it was explained, while the 295 watt lamps provide 6,000 lumens.

The village board accepted the program outlined by Mr. Travers and authorized the utility firm to begin the project as soon as possible. The board has been taking care of the lighting in the newer sections and believes it should now give attention to the older parts of the village in this regard.

Get Assistant Mother To Help Feed Family

A mother and a mother-to-be are dividing the task of feeding a large family and the arrangement appears to be working out very well despite the fact that the matrons are quite different.

The mother, an apricot standard poodle (that's the big kind) had 11 pups June 16. That's right, 11--count 'em--11, pups all apricot in color. Her master and mistress, Mr. and Mrs. W. H. McEvers, who operate the Marmac kennels, 159th and S. Bell rd., Orland township, were delighted but they quickly discovered that Pandora--that's the mother's name--lacked a sufficient food supply to provide adequate nourishment for her family.

So the McEvers consulted Liebchen, a 2-year-old German shepherd who was expecting her first litter. Liebchen had what it takes to feed pups and plenty of it. She was introduced to seven of the young poodles and promptly adopted them.

Pandora was able to take care of the remainder. First four and then, over the objections of Liebchen, was given one more.

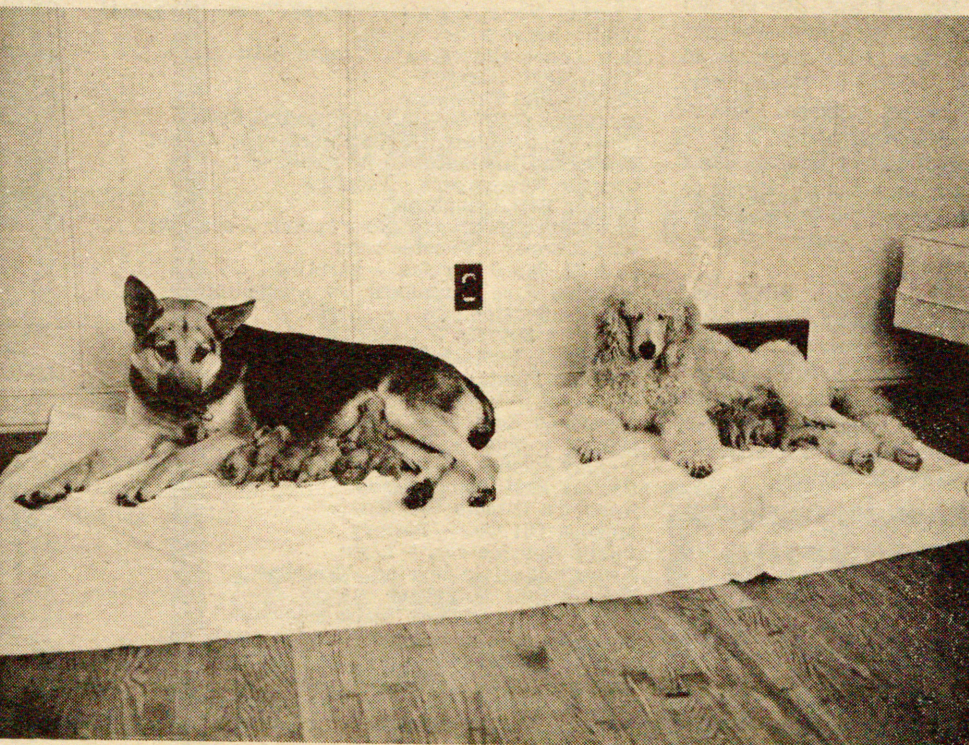

Liebchen was supposed to

have a family of her own this week. Should there be too many for her to accommodate at table, so to speak, with the poodles too the McEvers have an answer. They have some more shepherds that are expecting. If they balk at the job then the McEvers will have to bottle feed the poodles. They hope it doesn't come to that.

The veterinarian consulted before Liebchen was summoned for auxiliary nurse duty said he had not encountered any cases where an expectant mother dog took on the care of raising another mother's pups but if she was willing he didn't see where it would hurt anything.

Liebchen is quite proud of her poodle family altho in time the difference between the poodles and her own pups might confuse her a bit.

The McEvers raise and train German shepherds for guard and security work as well as for pets and they also raise poodles--all three kinds, toy miniature and standard. The toys run eight to 10 inches in height, the miniatures run from 10 to 15 and the standards are from 15 inches and over.

DIVIDE THE WORK of feeding a family. The real mother of the 11 pups shown is the poodle but when she couldn't provide sufficient nourishment the German shepherd, who was expecting a litter of her own, gave her an assist. The shepherd is feeding six and the poodle five. The Marmac kennels on 159th street is home for the pair. The situation is said to be quite rare.

50-Lap Feature To Mark Midget Races Saturday

A 50-lap feature championship event will highlight the midget auto racing program Saturday night at Joliet Memorial Stadium.

The weekly program is sanctioned by the Joliet Racing Association.

Sharing the spotlight with the special event this week will be Ray Elliott and Lou Cooper, car owner ace competitors on the quarter-mile track, who will appear Thursday at 2:30 p.m. on a half-hour interview on television Channel 26.

Russ Sweedler, another

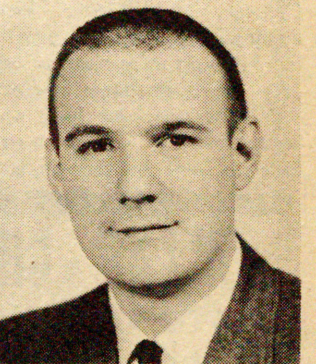

top driver, will miss the program and this Saturday's racing action, however. He has returned to Silver Cross hospital for further treatment of an injury received earlier in the season.

Two fires heightened tense action on last week's program. Dick Jones of White-water, Wis., lost his car when a gas tank ruptured and a car driven by Don Carmichael of San Bernardino, Calif., caught fire, but he was able to compete later. Neither driver was injured.

Ron Clemens of Joliet flipped his midget and walked away unhurt.

Elliott claimed the feature race, Paul Rademacher the semifeature and George Kladis the trophy dash.

This Saturday, events get underway at 7 p.m. Admission for the special program is \$2, children free with parents.

CHARLES L. LAUFFER, 179th st., Mokena, received a bachelor of science degree in industrial engineering at Bradley university, Peoria, on Sunday, June 6.

Can Apply Now For \$855 Farm Wheat Allotments

A new farm wheat allotment may be established for 1966 crop wheat for farms that did not have a 1965 allotment and meet eligibility requirements, Carl M. Bormet of the Cook ASC Committee announced today.

A 1966 wheat allotment will automatically be established for farms with wheat histories in the 1963-1965 period, or farms that planted wheat in any of the years 1959, 1960, and 1961.

To be eligible for a new farm allotment, the operator must expect to receive more than 50 percent of his income from the production of agricultural commodities on the farm, and neither the owner nor the operator may have an interest in any other farm which has a 1966 allotment.

Applications for a new farm allotment must be filed in the county office on or before June 30, 1965. Mr. Bormet said that any interested producer who can

Foundation Opens Retreat Center For Individuals

The Community Center Foundation, 127th and Southwest highway, Palos Park, has opened a vacation retreat house for individuals or married couples on the Foundation grounds in the wooded hills of Palos.

The retreat house accommodates two persons, and will be available for a maximum stay of two days and two nights. There will be a minimum daily charge for meals, which will be served with the Foundation staff

in the Main Lodge, 100 yards from the retreat house. In addition to this, it is hoped that the users of the retreat house will volunteer two or three hours of work each day, at a task within their abilities and interests.

The Community Center Foundation has been in operation over 30 years and has long served as a retreat center for larger groups of all faiths. The new idea of providing a combination va-

Boys and Girls Camps At Center To Open Sunday

Campers for the Farm camp and the Ranch camp at the Community Center Foundation, Southwest Highway at 127th Street, Palos Park, arrive on Sunday, June 27.

The Farm camp, now in its thirtieth year, is for boys and girls between the ages of 7 and 11. A full enrollment of 15 boys and 15 girls for each of the four two-week periods has been registered.

The staff for this camp are Roger S. Bogin of Chicago, Douglas Connell, Roy Butera, and Jerry Pech, Jr. of Palos Park; Luane Zeschke and Laurie Sproat, Carbondale; Kathryn Dodge, Clarendon Hills; Suzan Ross, Champaign; Renee Woelke, Orland Park, and Bruce Hansen, Chicago.

The Ranch camp, started four years ago for boys only of ages 12 thru 15, has the full complement of seven boys for each period. Staff members are Timothy Sedgwick of Orland Park, Donald McIntyre and Robin Wallace of Homewood.

cation - retreat house for individuals is in keeping with the Foundation's goal of serving, as "A house by the side of the road and a friend to all mankind." It is hoped that those who come will gain from the tranquil surroundings of the Foundation, and the work they volunteer will be a sharing of the Foundation's broader fellowship goals. The present Main Lodge of the Foundation, as well as many of its other buildings, was constructed largely with volunteer effort by those who came to stay for a day, a week or longer.

The new individual retreat center is in the "Herb Cottage," so named in honor of the late Mary Elizabeth Gehrke, who resided there for many years. It is a three-room cottage, with two single beds in the bedroom, a partial bath, and a living room with a natural fireplace.

Applications for use of the center may be had by mail or telephone to the Foundation office, 448-0789.

Pity The Once Primary Highways, Now Secondary

The super highways planned and under construction are all right. They are necessary. As a matter of fact we have joined our voice with those of others from time to time to urge action in highway building, particularly with reference to FAI-80, the east west transcontinental route.

It looks like the link between Joliet and Hazelcrest will be completed by 1972, which is the time set for completion of the federal highway program set up as a part of the nation's defense system.

State engineers were recently quoted as saying that if the I-80 is not completed by 1972 Congress will be asked to extend the life of the program and appropriate some more money.

It costs a lot of money to build these expressways. We appreciate the fact that the state and federal governments have a problem of how to get money enough for the expressways and to take care of interstate routes now becoming to be looked upon as secondary roads.

Talk to state engineers about the established highways and point out where repairs should be made or corrections made to remedy conditions that now threaten life or injury.

They shrug their shoulders. They agree something should be done but there are no funds, they say, so what are they going to do?

This writer talked recently to the district highway engineer. Was anything going to be done about widening or surfacing U. S. 30 between Joliet and Cicero ave. where it broadens out?

There was no money for such work, he said.

How about the state highway department doing something to correct conditions at a couple of spots on U. S. 45 south of Frankfort. One such place is the intersection with the Monee-Manhattan blacktop. There have been numerous accidents there, several of them fatal, because it is difficult for drivers to see approaching cars. There is another place to the south of that, the Peotone-Wilmington blacktop intersection below the junction with U. S. 52. There is a rise in U. S. 45 to the south of that intersection. Cars traveling north can't see the blacktop road until they are practically upon it. There is a high bank in the field to the south of the blacktop to the east so that a driver west bound can't see anyone coming from the south until too late. And visibility is poor for

cars heading east on the blacktop as well.

There have been many accidents at that intersection and many fatalities.

We suggested that perhaps it would not cost too much to have the grades reduced at these intersections or lights installed.

The engineer shrugged. He could point out at last 500 situations like that around the state but there wasn't anything the highway department could do about that -- there wasn't any money.

Gov. Kerner is asking that the state gas tax be increased so the schools can have more money. It is all very fine to help the schools but the motorists are deserving of some help too for all the money they have to pay in taxes, open and hidden, to drive a car.

We are told how the super highways come with built in safety and how this fact is going to save lives. We are glad of it. We are glad to hear that a motorist starting out from the east coast has an excellent chance of reaching the west coast without injury by traveling the turnpikes, tollways and expressways.

But what about the chap that has to travel on what are now known as secondary roads?

Not too many days ago a man was killed on a curve on U. S. 30 about a mile west of U. S. 45. This is not the first fatality at this point and will not be the last. It is a bad curve. A part of the pavement that formerly curved further to the north still forms a part of the highway that lies south of the old right of way. A person traveling east and not too familiar with the road may follow the line of the old curve -- it is quite discernible -- and veer into the west bound lane before realizing his mistake. It is quite possible that this is what contributed to the recent fatality. The report states that the car crossed over the center line and hit the rear of a tandem truck.

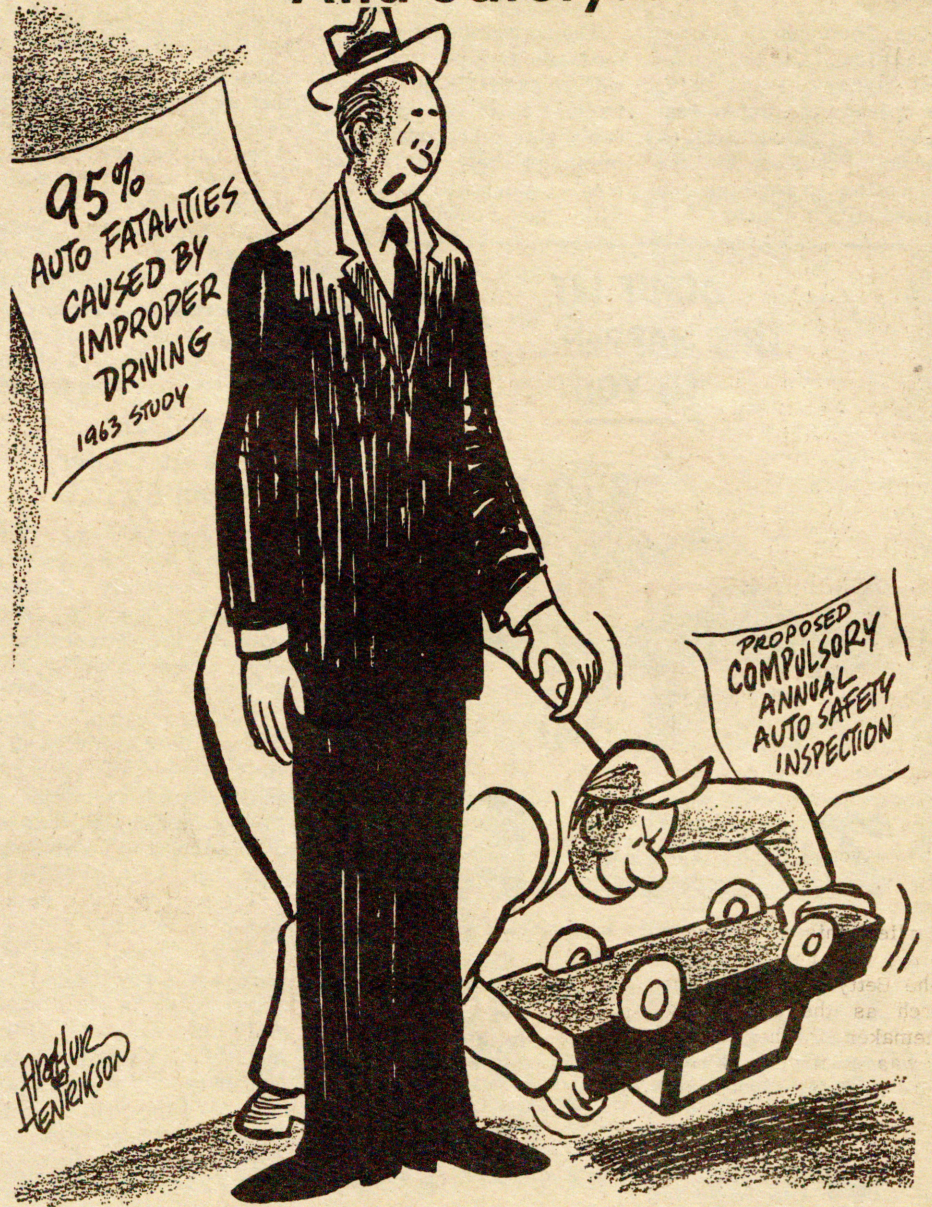

It would not cost so much in dollars and cents to rip up a section of the abandoned pavement and to replace the marked piece on the present highway with a new slab of concrete. The reason we don't suggest it to the state highway department is that we know what they would tell us -- there are a lot of situations like this about the state and they just don't have any money -- for that sort of thing anyway.

as fast a rate as before''.

A number of well regarded analysts note that the stock market had risen almost 50 points on the Dow Jones Industrial Averages, between April 1 and May 14 of this year and was vulnerable to news not intended to pump the averages still higher with enthusiasm.

For the last few months, analysts have been advising that the auto market could not be expected to hold its accelerated gains and that a slowing down in sales could be expected. A few years ago, one of the leading magazines published a formula showing that there is a definite mathematical relation between what is termed "Disposable Income" and

If You Really Want To Improve And Safety...

hints for Homeowners

BY: RICHARD DELANO

Something new and tradition shattering has happened in the technique of planting roses. Perhaps you have noticed that roses in recent years are being sold and planted by a new technique.

No longer are customers limited to planting roses bare root during early spring. More and more roses are purchased in containers and planted during active growth. . . even full bloom. This means that roses can now be purchased by examining the actual hue and fragrance of the flower. Even more important, these container grown roses can be planted all summer long. Thus, they are suitable to make replacements in an established rose garden or for planting a new rose garden.

However, even though you can now plant roses in active growth, you must still use care in selecting a planting site. As is true with most plants, a well drained site is required. If water stands for a day or two after a heavy

rain, it is an area unsuited for roses. Roses also demand full sun for best growth. They will, however, give satisfactory bloom if they have at least six hours of sun a day.

Once planted, roses require some weekly care. However, their outstanding bloom makes it impossible not to give them attention. For example, it should be remembered that roses need large amounts of water. Even when rainfall is plentiful, such as this spring, occasional waterings are beneficial. Soak the soil thoroughly to a depth of eight to ten inches.

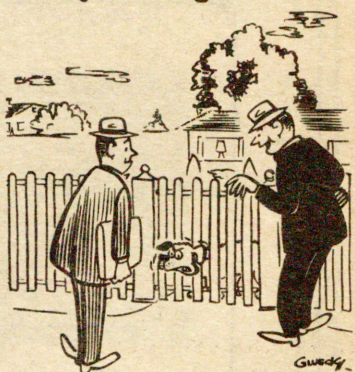

Once leaves appear, fertilizer should be applied. For large beds, use three pounds of a 5-10-5 or similar grade fertilizer per 100 square feet. If you have just a few plants, you may find it easier to simply measure a heaping tablespoonful to each bush. Since roses are heavy feeders, a second application should be made at the end of June or the first part of July.

However, to reduce the amount of soft wood that is easily damaged in winter, do not fertilize after mid-July.

Spraying for insects and disease is always important in good rose culture. It strikes at problems before they occur. If plants are spaced at the proper two foot distance, the spray program will be most effective. It provides good air circulation that allows for easy wetting and rapid drying of the foliage. It's true that this spraying takes time but it's also true that this gives you an opportunity to slow down, stop, and enjoy your roses.

If you still need some color or an accent in your garden, remember it's still not too late to plant roses.

BUSINESS & FINANCE

By Maurice P. Angland
Popular news columnists have been more or less misquoting the remarks of Federal Reserve Board chairman, William Mc C. Martin as to the state of our economy at this time. The gist of Mr. Martin's remarks when not taken out of text, were that our industrial production increase was going at a rate that probably could not be sustained as the increase had accelerated too fast.

Mr. Martin was castigated by some who did not seem

to realize that industrial acceleration was at a pace certain to cause troubles. It is not always popular to call attention to excesses even though these excesses create a temporary feeling of pleasantness that we all hate to give up, - for the more solid growth at a pace we can support. The head of a large investment counselor firm stated "the slump in the market, in my view, is due to developments in the economy. Investors are becoming aware that we are not going to grow prosperous at

auto sales. The national figure on Disposable - Income is a figure published by the Federal Reserve and roughly calculated as that income which is in excess of normal financial obligations of citizens. This magazine published figures to show that excess sales in one or several consecutive years can be expected to be equalized thru comparatively slower sales as the sales curve is balanced.

However, in any calculations of this kind, it must be kept in mind that our economy is more dynamic than it was a few years ago and

is growing. Thru aid of machines and better production methods of almost every industry, the per - man - hour - production has increased and the per - man - hour - income has also increased with added leisure time. This, of course, has made the automobile and other aids to enjoyment of life, etc., more of a necessity and less of a luxury. Investment analysts are spending considerable time in study of the fields in which leisure time and interests will be a factor. Book publishing, golf, etc. are examples. Other fields attracting attention

are, amusements, paper, drugs likely to be favored by government interest in medical aid to society, business machines, textiles, etc.

The well known Dow Theory Forecasts' Investment Service lists the following industries as looking weak - steel, machine tool, farm equipment, cement, life insurance, banking and meat packing. This, of course, refers to the industry itself as individual firms in the industry may be doing very well due to special situations.

Peotone Church Plans Centennial Celebration

MRS. KATHARINE HEISNER
Telephone: 469-5187

Members of the St. John's United Church of Christ of North Peotone will celebrate the centennial anniversary of the church starting Sunday, July 4, thru the month of July, on each Sunday. On Sunday, July 25, they will have a banquet and program (which will include a pageant) at the Will County Atrium in Peotone.

The dinner will be served by caterers at 12:30 p.m.

Judith Bunting Wins Scholarship

Miss Judith Bunting, who was graduated from Carl Sandburg high school earlier this month, is one of the 107 Cook county scholarship winners this year. She is the daughter of Mr. and Mrs. William G. Bunting of 12323 76th Avenue in Palos Heights.

Earlier this year, Miss Bunting was named winner of the Betty Crocker talent search as the outstanding homemaker in the school. She was a member of the Sandburg choir, Alchemists Anonymous, Dramatics, Future Teachers of America, GAA, and Pep club.

Tickets should be reserved about a week in advance. Adults, \$2.25 and children under 10 years, \$1.25.

The Womens Guild members will hold an open house at the church on Thursday, July 8 from 2 to 4 p.m. Rev. Eugene Walther will show pictures each hour.

Visitors are welcome to attend.

The daily vacation bible school of the Green Garden Methodist church will conclude Friday morning with a visitation period from 10:30 a.m. to 11 a.m. for parents and friends. The school was in session for two weeks with Mrs. Richard Borms and Mrs. David Dralle as co-chairman.

Albert Steinberg returned home from Silver Cross hospital last week after being a medical patient for more than a week.

The annual church picnic of the Green Garden Methodist church will be held on Sunday, June 27 with a potluck dinner after the morning worship service. Each family is asked to bring a meat dish for the family, also a dish to pass and their own table service.

Mrs. Glenn Nagel entertained her Pinochle club at her home last Wednesday afternoon. Honors were won by: Mrs. Fred Gast, Mrs. Lloyd Schmidt and Mrs. Dorothy Waldhauser.

Later, a two course luncheon was served by the hostess.

There will be no meetings during July and August.

Mr. and Mrs. Roderick Rainford spent last weekend with their daughter and husband, Mr. and Mrs. Al Brock at Ashland, Ill.

The Green Garden Snip 'N Snack 4-H club met recently at the town hall. The club collected \$96 for the Cancer Society. The safety committee, under the direction of Sherry Dralle and Pat Morrison, had a discussion.

Monza Sport Coupe with up to 140 hp available for more sizzle (180 hp available in Corsa models)

Corvair by Chevrolet

It's stylish, sporty and available with up to 180 frisky horsepower. See below what car experts say about its unique engineering and handling. Then see your dealer and see what a wonderful buy you can get right now!

Hot Rod
"On tight corners . . . will hold its own with anything on the road."

Sports Illustrated
"On test runs at GM's Michigan proving grounds the Corsa started and stopped with no dipping, and it cornered—even at

wild speeds—with smooth intent and no sign of sway."

Motor Trend
"Not counting the Corvette, Corvair has the closest thing to performance handling characteristics you'll find on this side of the ocean, with no sacrifice in ride qualities."

Car Life
"We'd feed the Corvair into the turn with increasing force on the steering wheel, applying as much power as was available, and come scorching out the other end of the curve without so much as a tailwag."

Sports Illustrated
"... a new American sports car that will be eminently acceptable at rallies but that can, in the American manner, double at church picnics."

Mokena Blues Break Even But The Reds Drop Two Contests

The Mokena Blues (#1) broke even in Babe Ruth league play last week, losing to Manhattan 9-5 on June 15 and defeating the New Lenox Moss Equipment team 6-4 on June 18.

On Tuesday Mundt pitched for Manhattan, while Kennard and Olson worked for Mokena in a game featuring more bases on balls than hits.

On Friday, David Wallace repeated the previous week's feat of striking out 14 batters, giving up only four hits and two earned runs, the first hit for New Lenox Moss coming in the 6th inning.

Bob Bray and Keith Bockman of N.L. gave up 10 hits, Bray taking the loss, in a generally well-played game. Olson, Novak, Wallace and Ryan each had two

hits for the Blues, while Floyd and Reiter doubled and tripled, respectively, for the losers.

The Mokena Reds (#2) lost a tough game to Frankfort on June 15, by a score of 6-5. Gordon Bruce pitched 6 - 2/3 innings for the Reds, and Pat Flynn hit 2 for 3. Schilling pitched well for Frankfort, allowing 8 hits, while his team was getting 11. On Friday night the Reds were defeated 12-7 by Manhattan, with Tim Daily getting the win and Nathan Roesner taking the loss.

Mokena's coaches in this league, newly formed this year, are Wilbur Buske, Hank Oetter and Ken Warning for the Reds, and Clarence Zugenbuehler and Jim Pels for the Blues.

Burros To Have Float, Booth In Festival

The Mokena Burros adult planning meeting will be held Tuesday, June 29 at 8 p.m. at St. Mary's school.

The Burros will have a float in the July 4 parade and a booth in the July 3, 4, 5 celebration at Mokena.

Members selling chances should turn in their money and ticket stubs to the person who gave them the tickets or to Mrs. Frank Scallise.

An auction will be held July 3, so families in the Burros organization are asked to bring useful items to the van at the Park and Shop on Wolf rd. Anyone can donate items for the auction and if you don't have a way to get it there, call George Krueger at 479-3571 and he will pick it up.

Midget Football League To Start Drills In August

Reorganization of the Southwest Midget football league is making progress. The Mokena Burros will be in the league which will be nationally sanctioned by the Pop Warner organization, Tinley Park, Midlothian, Palos (and if Ron Schader can get backing) New Lenox will be in the league with Posen also a possibility.

The league will boast such things as licensed officials, full insurance program, uniform safety equipment, stringent rules and top supervision.

All boys of grade school age next fall are welcome to try out. Practice will begin after Aug. 1.

189 Receive Baby Sitting Certificates

Miss Wilba Sandner, president of the Council of Community Social Organizations presented certificates to 189 baby sitters at the conclusion of the three-day baby sitting workshop held at Silver Cross Hospital June 14, 15 and 16.

Principles governing conduct of babysitters and care of children entrusted to them were taught through role - playing, film strips, skits and talks.

Mrs. Sydney Scoville, case work counselor, Family Service Agency of Will county, presented the attributes of a good babysitter. Different attire for the babysitter was illustrated by Jan Marshall, Pat Franklin and JoAnn Parrish.

Mrs. Shirley Lawler, pediatric supervisor, demonstrated care of the infant with the assistance of six-month old Ricky Fox. Twenty-one month old Jerry Fox assisted his aunt in illustrating the care of the toddler.

Mrs. Dorothy Black, special counselor, Family Service Agency, discussed "Child Development" infant to junior high school age in two different sessions.

Miss Barbara Seffens, a kindergarten teacher gave an illustrated talk on recre-

All of us hate to be Nervous Nellies, but sometimes it pays.

We would not venture outside the three-mile limit without our passport and vaccination certificate, but we sometimes get a bit careless when traveling in the U. S.A.

The Chicago Motor Club points out that carrying the proper papers is as essential to domestic travel as it is for journeys through the countries of Europe, the Middle East or the Orient. The motor club suggest you make the following checklist before departure:

Your driving permit -- You'll want it not only for driving but also for handy identification along the way.

Your car registration card.

Credit cards.

Business cards -- You'll be surprised at the number of opportunities you will have to present a business card, even on a pleasure trip.

Your eyeglasses prescription -- If you wear eyeglasses, ask your optician for a copy of your prescription, and tuck it into your wallet or purse.

Your motor club membership card -- Invaluable in the event of a car breakdown, or for bail bond, should that unhappy circumstance arise.

A copy of your liability insurance policy, and a couple of accident report

forms.

Maps and tour books -- These will give you a better understanding of the places you will be visiting.

A list of the folks back home -- For sending those postcards.

A pad of paper and a pencil -- For the many occasions you will find for making notes.

Also, don't forget to:

Temporarily stop deliveries of newspapers, milk and laundry. Shut off home utilities.

Provide for cleaning and care of the garden around your home.

Provide for your dog, cat, birds or fish.

Arrange for your mail to be picked up and held or forwarded.

Discourage prowlers by being sure all exterior doors and windows are securely locked; notifying neighbors and local police that you are taking a trip; and leaving the shades only part way down.

Have your car thoroughly checked by a competent mechanic, for motor, clutch, brakes, transmission, cooling system, fuel system, ignition system, and steering gear.

Other tips to remember: Don't drive too fast - take your time. Don't drive too far - take it easy. Don't drive when tired - it doesn't pay. Stop for motels early or make reservations ahead.

Will, DuPage Voters Are Against Increase In Natl. Debt Limit

U.S. Rep. John N. Erlenborn (R), 14th District, charged that the recently House approved boost in the national debt ceiling "will encourage the Administration to embark on additional spending programs that are inflationary."

ational activities followed by a film strip "Selecting Toys".

Mrs. Mary Shepley, Red Cross Volunteer, discussed first aid - including mouth to mouth resuscitation. Capt. Henry Garavaglia of the Joliet fire department described emergency services of the fire department, police and telephone company.

Congressman Erlenborn, who voted against the raise in the U.S. debt limit, disclosed that a public opinion poll he recently conducted in the 14th Congressional District showed overwhelming support of his position.

With 12,000 survey ballots returned, out of a mailing of 50,000, a total of 83 per cent of those participating from both DuPage and Will counties disapproved of raising the national debt limit.

The question included in the Congressman's public opinion poll was:

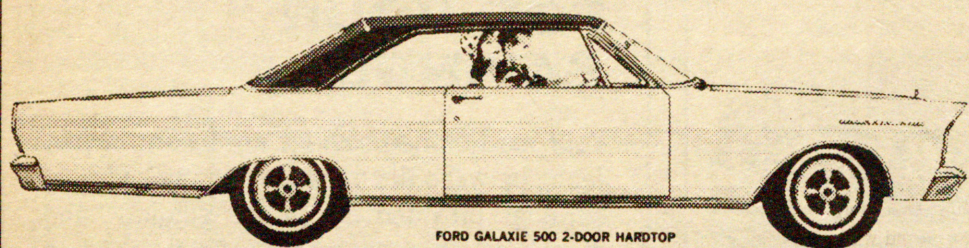

"(Do you approve of) Increasing the national debt limit beyond the present \$324 billion?"

Erlenborn stated that Will county residents voted 83 per cent "no", 7 per cent "yes", 9 per cent "no opinion", and 1 per cent a qualified "yes" or "no".

Rep. Erlenborn noted that in the past two years the national debt limit has been increased \$23 billion and "each increase has been accompanied by the never-kept promises the Administration would hold down expenditures."

The vote in the House, favoring the national debt boost of \$4 billion from \$324 billion to \$328 billion, was 227 to 164. The issue now goes before the Senate.

WINNING ESSAYS IN ANNUAL MOKENA BOOK CLUB CONTEST

Winners were announced this week by the Mokena Book Club in their library week essay contest for seventh and eighth grade students. A total of five classes in Willowcrest and St. Mary's schools participated in the contest. Entries were such that the judges had great trouble in selecting the final winners.

Winners were as follows: Willowcrest seventh grade, Shirley Janner: 8-1, Roxann Knakmuhs: 8-2, Mark Ebert. In St. Mary's, the seventh grade winner was Lyle Koester, and Maureen Murdoch was the eighth grade winner. Prizes will be the book chosen by each prize winner, at the time of entering the contest.

The essay contest was written to answer the question, "Mokena Needs A Library Because:" Prize winning essays are reproduced below.

Judges of the contest were Mrs. William Niessen,

Mrs. Robert Olson, and Mrs. Clarence Miller.

BY SHIRLEY JANNER
Mokena Needs A Library Because: the library is a place a person can go to study.

When you are doing a report the best place to go is to the library because it's quiet there, and you can study very well. Sometimes a reference book is hard to find, but in the library you will find what you need on any subject you pick.

The use of a library is to read. There are several types of books to read. Classics, fiction, adventure, mystery and non-fiction can be found there. There are always books for every age group at a well-supplied library. The enjoyment you get out of a book is the reward you'll always have for the rest of your life.

Mokena does have a library, but it is for books of enjoyment. They do have

reference books, but no place to study. So I think Mokena should have a larger and newer library for people to use.

BY ROXANN KNAKMUHR
Mokena Needs A Library Because: of the great demand for reference material and many types of literature which both adults and students need and want. In this modern day and age in which we live, more leisure time has come to us, and what better way is there to spend this time than in reading good books? Our town's population is always expanding, and the demand for interesting books is therefore also expanding. The students of the present are not satisfied with the knowledge obtained from the text books in our schools. They wish to obtain more information on historical events, scientific works, and literature written by great authors. A library may help a young student decide what his vocation of the future may be, by having books on different careers, and those who have made a success of these careers. It may help an adult prepare for the future.

A library can assist everyone in some type of problem, and is therefore as necessary as the corner drugstore or city supermarket, in enriching the lives of both young and old.

BY MARK EBERT
Mokena Needs A Library Because: Mokena has people of all ages and they are all interested in something. They all want to learn about some subject. The place to learn is the public library. Mokena already has a li-

brary, but it is small and poorly equipped.

The need for a new library is growing because of the increasing population. Everyone in Mokena could use the library. Many students doing research work have a hard time because they don't have the right books. This is also a problem with book reports.

We we had a large library, I know it would be used by everybody, young and old, for all purposes, both for information and enjoyment.

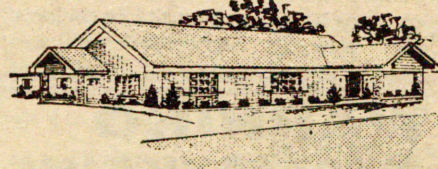

BY LYLE KOESTER
Mokena Needs A Library Because: the children need a place to study and a place for school work of references. Mokena also needs a library because the good libraries are in Joliet which is very expensive, a fee of five dollars; and the Park Forest library which is very good, but for a library card, the fee is eleven dollars. To get to these good libraries, the children around Mokena must use cars while if Mokena had a good library, they could ride their bikes or walk. The high school teen-agers need one for research and sheer enjoyment. A library in Mokena would bring many more children to the fun and pleasure of reading. The library could be used for papers on research when you have to give a report or when we are in high school for a term paper. It would be the right time for Mokena to get a new library with good books and modern facilities. This is the age of progress.

BY MAUREEN MURDOCH
Mokena Needs A Library Because: I think it is a great help for the betterment of the community. It would be very helpful for all students from first grade through high school and even college. We need a good library for reference work on certain subjects that we can

only find a small portion in the books we have at home. It would be a big help to all students who want to improve their study habits. It would help the children in the lower grades to improve their reading habits and also they'll have a chance to read other books besides the books they read in school. The library would be a place

of entertainment and not only for school work.

The adults would profit by this library, because they would be able to read some of the better books that they haven't the opportunity to read now. It would also improve the culture of the community. That is why I think Mokena needs a library

Palos GOP Organization Operating In The Black

Palos township Regular Republican Organization president, Gordon S. Brown, presented nine committees and the new chairmen at the general Organization meeting for June.

Treasurer George Lundin announced that the organization has traded "red ink for black." The membership then discussed fund raising activities for the 1965-66 fiscal year.

Dick Searles, who was absent, explained, in a written report submitted to President Brown, the establishment of a local newspaper library file.

Sorrow was expressed at death last week of Mrs. Ruth Bellone of Palos Park. Mrs. Bellone was a member of the Palos GOP Regular Organization for many years and also served as a Republican judge of elections.

President Brown, with the approval of the ten member executive board, presented his selection of the following committees and chairmen: Auditing, Neil Anderson, Palos Park; Mrs. Rae Brown, Palos Heights; and Joe Thompson, Palos township; program, Harold Frostick, Hickory Hills; ways and means, Herb Schumann, Palos Hills; membership, Robert Hazel, Palos Park; public relations, Dick Searles, Palos Heights; policy, Lester Mahaffey, Palos Park; housing, Paul Zeeman, Palos township; by-laws, Mrs. Henrietta Marjan, Palos Heights; chairman and parliamentarian; "Watch-dog" committee, Mrs. R. J. Harwig, Hickory Hills.

Next month's general meeting was set for July 9 at 8 p.m. at Palos Bowl, 11th and Southwest Highway in Palos Hills.

Lincoln-Way FFA A Superior Chapter

"Agriculture--- More Than Farming" was the theme of the 37th annual convention of the Illinois Association of the Future Farmers of America held at the University of Illinois June 15-17. The Lincoln-Way FFA chapter was represented by Charles Bruns, Jim Jensen, John Chesnut, and Jim Winker. They were accompanied by Robert Van Rheeden and Eugene Wagner, their advisors.

Awards were given out, tours made of the U. of I. farms and there was general entertainment. Also there

was the election and presentation of the state farmers and honorary state farmers. The last day was devoted to the election of the state officers for the coming year.

Among the award winners was Lincoln-Way with a superior chapter. Also, Lincoln-Way had two boys receive special awards. They were John Chesnut and Jim Winker, both of whom received FFA jackets from the Northern Illinois Breeders' Co-op for their outstanding dairy production projects.

AGNES VRANICAR, MOTHER OF N.L. BANK DIRECTOR, DIES

Piccolo Playhouse Improved

Producer Guy S. Little has announced that major physical improvements have been made at The Piccolo Playhouse in D'Amico's "214", Joliet.

Elevation of seats has been raised, with only two rows of seats now in each elevation, contrasted to the four rows used during the winter season. Greatly improved visibility for the audience will be provided by the new elevation.

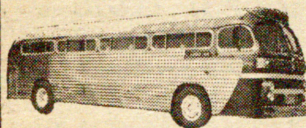

The air-conditioned Piccolo Playhouse will open July 6 with Tab Hunter starring in the greatest of war comedies, "Mr. Roberts" for a two-week run through July 18.

July 20 - Aug. 1 Margaret O'Brien will star in the spicy French comedy, "Gigi", Aug. 3 - Aug. 15 Eddie Bracken will star in the musical, "A Funny Thing Happened On The Way To The Forum", and Aug. 17 - Aug. 29 Robert Q. Lewis will star in the Parisian musical, "Irma LaDouce".

Season tickets and single admission tickets are now available for all shows by phone: Area Code 815-727-4618, or by mail: Piccolo Playhouse, 214 N. Ottawa, Joliet.

ORDINANCE NO. 305
AN ORDINANCE AMENDING THAT CERTAIN ORDINANCE ENTITLED "AN ORDINANCE REGULATING CONNECTIONS AND EXTENSIONS TO THE SANITARY SEWER SYSTEM OF THE COMBINED WATER - WORKS AND SEWERAGE SYSTEM OF THE VILLAGE OF ORLAND PARK, COOK COUNTY, ILLINOIS, PROVIDING FOR THE ISSUANCE OF PERMITS AND ESTABLISHING PERMIT FEES FOR CONNECTIONS", BEING ORDINANCE NO. 235, ADOPTED MARCH 13, 1961, AND APPROVED MARCH 13, 1961.

BE IT ORDAINED by the President and Board of Trustees of the Village of Orland Park, Cook County, Illinois, as follows:

SECTION 1

AMENDMENT. That Section 3 of that certain ordinance entitled "An Ordinance Regulating Connections and Extensions to the Sanitary Sewer System of the Combined Waterworks and Sewerage System of the Village of Orland Park, Cook County, Illinois, Providing for the Issuance of Permits and Establishing Permit Fees for Connections", being Ordinance No. 235, adopted March 13, 1961, and approved March 13, 1961, be amended to read as follows:

SECTION 3

APPLICATION FOR CONNECTIONS. Applicants for sewer connections and/or house connections shall pay all costs of labor and materials for installing the sewer connections, except in those instances where the sewer connection has been installed by the Village prior to June 1, 1965, and shall in all cases pay all costs of labor and materials for installing the house connection, and installation may be made only after issuance by the President and Board of Trustees of a permit authorizing the sewer connection and house connection and specifying the size, grade and materials, thereof. Such application for sewer connections and/or house connections shall impose liability for a periodic sewer charge to be billed the owner not later than ninety (90) days after service is available to the owners premises, whether or not said owner makes physical connection to said sanitary sewerage system. The permit and inspection fees for

such sewer connection and/or house connection shall be in all instances One Hundred Forty and no/100 Dollars (\$140.00).

Whenever after June 1, 1965, the Village shall install a sewer connection, the cost of installation of such connection shall be paid to the Village by the applicant at the time that application is made for connection to the sanitary sewer system. The Village Clerk shall keep a record of the cost of each such sewer connection and the cost thereof shall be added to the permit and inspection fees of One Hundred Forty and no/100 Dollars (\$140.00) above set forth. The Village Clerk shall further file an affidavit with the Recorder of Deeds or Registrar of Titles of Cook County, Illinois, setting forth the real estate served by said sewer connection and the cost of installation of said sewer connection, which cost shall be a lien on the real estate in said affidavit so described until paid.

SECTION 2

REPEAL. That all ordinances or parts of ordinances in conflict with the provisions hereof are hereby repealed in so far as they conflict herewith.

SECTION 3

EFFECTIVE DATE. That this ordinance shall take effect and be in full force from and after its passage, approval and publication in the manner prescribed by law.

PASSED this 14th day of June, 1965.

beginning on June 28: If you have not as yet picked up your equipment list from Mrs. Harris, you will be able to pick it up at Mrs. Hovi's house.

The sleeping bags or bedrolls, fully packed and having your name on the outside, must be brought to Mrs. Osuch's house by Saturday, June 26, NO LATER.

The girls will leave from the school yard on Monday morning at 10 a.m., June 28, and will return June 30 at approximately 2:30 p.m.

The "at home" mother in the event of emergencies will be Mrs. Faye Erkman at 479-9442.

The Boy Scouts of Summit Hill Troop 10 will have their regular monthly newspaper drive Saturday, July 3 beginning at 9:30 a.m.

The boys are planning on a week end campout trip to Starved Rock over June 25, 26 and 27.

Cadette troop held its campout at Hawthorne Ridge during the June 12 week-end. During the week-end the girls invited a troop of juniors from New Lenox to their evening campfire one night.

The following evening the Junior troop invited our girls to their campfire in return. One of their troops was scheduled to be bridged to the cadettes. A ceremony was performed in which the two troops participated.

The Cadettes are planning another bake sale to raise funds for further summer activities for the troop. The next tentative date will be Friday, July 2. Any contributions of baked goods will be welcome.

Baseball is overpowering the atmosphere of Arbury Hills. With four participating boys teams in the area, runs, hits and errors seem to infiltrate every home.

The traveling A team (9 to 12 year olds) is having unfortunate luck with their games thus far. Except for a 22 to 6 loss to Lincoln Estates recently, all of the games have been tightly contested. A 7 to 7 tie was played against Mokena last week as well as losing to New Lenox 5 to 4.

The B team (9 to 12 year olds) has gone into a slump after their initial successes. A high scoring 15 to 14 loss to Frankfort was followed by a second loss of 12 to 6 to Mokena.

The Babe Ruth team, (13 to 15 year olds) played their first game since opening day and lost to Mokena 5 to 4 in a game shortened by darkness.

Billy O'Neill celebrated his eighth birthday with some of his friends, when his parents took the boys to a miniature golf course to try their luck. Later they had ice cream and milk shakes.

Team Up For Elkhart Races

One of the great drivers and one of the great cars of Sports Car Club of America racing will be a "team" June 20 in the 160-mile Road America Sprints feature at Elkhart Lake, Wis.

They are Milwaukeean Augie Pabst and the Texan-bred Chaparral. Together they have accounted for a fistful of RA victories and receipt of their entry today adds special lustre for this June's sprints.

In all, entries have now hit 70 for the June 19-20 weekend.

Since 1960, one or the other of the new Pabst-Chap

Torok-Phelps Vows Said In St. Paul's At Monee

At a 6 o'clock ceremony the evening of June 12 in the St. Paul's United Church of Christ, Monee, Miss Patricia Torok became the bride of Charles William Phelps.

Rev. A. W. Klumb officiated at the double ring ceremony uniting the daughter of Mr. and Mrs. Frank Torok, Green Garden, and the son of Mr. and Mrs. David Phelps, Plymouth, Ill.

Guest soloist, Mrs. Beverly Carmichael, was accompanied at the organ by Mrs. Ellen Herrmann.

Escorted by her father to an altar enhanced by white floral arrangements, the bride wore a white floor-length gown of dacron with a tiered bell skirt, accented by bows at the waistline, swept into a chapel-length train, fitted bodice, scooped

neckline and short sleeves. The skirt and bodice were emphasized by appliques. She carried a floral heart of carnations and roses, centered by a white orchid.

Miss Carol Torok attended her sister as maid of honor. She wore a floor length dress. The skirt was tiered, white lace over light green nylon, sleeveless, fitted bodice. She carried a white lace heart, centered by white carnations and pink roses.

Dressed identically with Miss Torok were the bridesmaids, Miss Donna Meyer and Mrs. Bonnie Sloan, sister of the bride.

Kristie Phelps, niece of the groom, attended as flower girl. She wore a green taffeta dress with lace highlights and rose appliques.

David Phelps attended his

brother as best man, and ushers were Thomas Phelps and Bruce Phelps, brothers of the groom.

Ringbearer was Timmy Phelps, nephew of the groom.

A reception followed in the Peotone atrium. Mrs. Torok, mother of the bride, greeted guests wearing an orchid lace over orchid taffeta dress, orchid and white accessories and a white rose corsage.

Miss Linda Diment and Mrs. Melody Fifer, cousins of the bride, were in charge of the guest book. Mrs. Sharon Phelps and Mrs. Beverly Phelps, sisters-in-law of the groom, were in charge of the punch bowl and Mrs. Karol McClelland and Mrs. Mary Castlebury, sisters of the groom, were in charge of the wedding cake.

The newlyweds are now at home at Plymouth, Ill.

Mr. Phelps is farming at Plymouth.

Book Club Adjourns Until Fall

The June meeting of the Mokena Book club was held at the home of Mrs. Ian Brown in Marley where Mrs. Roger Wellman reviewed "And Then There Were Eight" by Paul Molloy.

The Book club will not meet again until September but its members continue to operate the Mokena library on Front street on a volunteer basis every Wednesday. For the next two Wednesday afternoon sessions from 3:30 to 5 p.m., the librarians will be Mrs. Fred Lehmann and Mrs. Roger Wellman. The evening sessions which are held from 7:30 to 9 p.m., the library will be staffed by Mrs. George Kuehn, Mrs. Margaret Lenz and Mrs. William Little.

Mothers of pre-school children are urged to come into the library soon because there are over 100 new picture books and simple readers included in the 600 State Library books now on the shelves. Two new adult books recently added to the library are: "The Source" by James Michener and "Wild Heritage" by Sally Carrighar.

RECIPIENTS OF the Mokena Woman's club scholarships -- At the Lincoln-Way high school honor night program Mrs. Louis Richards, left, president of the Mokena Woman's club presented two \$100 scholarships. Miss Carol Benson, center, was the recipient of the Elizabeth Cappel scholarship and Miss Linda Hempfling received the Katherine Lotz award. Miss Benson resides in Mokena while Miss Hempfling is from Arbury Hills.

MARILYN DEIST - Mr. and Mrs. Oran H. Deist, 226 Hickory, Frankfort, announce the engagement and approaching marriage of their daughter, Marilyn, to Richard D. Krohn, son of Mr. and Mrs. John Krohn, 541 Green Oaks, Addison, Ill. The wedding is to take place in St. Peter's United Church of Christ, Frankfort, at 6 p.m. July 3.

Miss Deist is a graduate of Lincoln-Way high school and is presently employed by the Will County division of Chicago Title and Trust Co., Joliet.

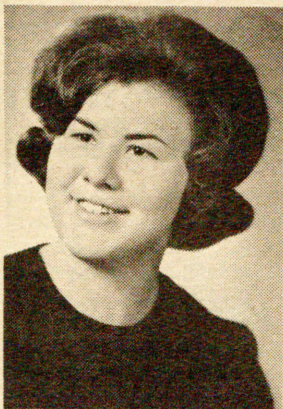

Krohn is employed by Payson Casters, Inc., Chicago. (Behne Photo)

NANCY BURGESS - Mr. and Mrs. Fred Burgess of Lake Zurich, Ill., announce the engagement and forthcoming marriage of their daughter, Nancy Irene, to Roy Raymond Bettenhausen of Tinley Park.

Mr. Bettenhausen will continue his education as an electrical engineer at the University of Tulsa.

A 7 p.m. ceremony is planned at St. John's United Church of Christ, Mokena. All friends and relatives are invited to attend the ceremony and reception following.

ANN LEMBKE, daughter of Mr. and Mrs. Roy Lembke of Mokena, received a bachelor of arts degree in mathematics from the University of Denver, on June 11.

She was secretary of Alpha Lambda Delta, national honor sorority; treasurer of Women's Interhall Council; and president of McFarlane residence hall. She was also a member of All Women's Council and Talarian.

Ann was a graduate of Lincoln-Way high school, class of 1962.

Ann will teach secondary mathematics at Denver, beginning in September.

Republicans Meet Tonight To Make Plans For Picnic

MRS. SHERMAN KNOX
Telephone: FI 9-0211
The Regular Republican Organization of Orland township will hold its monthly meeting at the Legion Hall, 9501 W. 143rd st., tonight, at 8 o'clock.

The main business will be to make arrangements for the second annual picnic given by the organization. The picnic is planned for Aug. 15 at Gee's Grove, Rt. 45, just south of St. Francis road.

Miss Kay Halvorson was one of two teachers selected by the first departing senior class of Tyee high school, Seattle, Wash., to reign as "Favorite Teachers of the Year". According to the 258 graduates, "Miss Halvorson, while better known for the indoctrination of the term paper, teaches a very efficient English class to the majority of seniors. A graduate of Lawrence college, Miss Halvorson's ambition is to prepare graduating seniors for college work while laying a firm foundation for life since English plays such a major role". Miss Halvorson was honored at the senior luncheon held at the Elk's club in Seattle where she was presented with a signed memento of the occasion.

Miss Halvorson is the daughter of Mr. and Mrs. Kenneth A. Halvorson of Orland Park and a graduate of Carl Sandburg high school.
